

TKPP 60% Solution Tech.

(Tetrapotassium Pyrophosphate)

Characteristics	Specification
Assay, $K_4P_2O_7$	57% Min.
pH (1% Solution @ 25.0°C)	10.0 – 10.7
Solids	60.0 – 61.5%
Insolubles	0.1% Max.
Specific Gravity, @ 25.0°C/15.5°C	1.72 – 1.756

TKPP 60% Solution is a clear, colorless, odorless, viscous liquid.

It is used as a sequestering agent; highly soluble in aqueous solutions; excellent deflocculating/dispersion properties; commonly used in liquid detergents.

Packaging: 55 gallon drum
